FIDIC Notice Monitor

Never Miss a Notice Deadline Again

AI-powered FIDIC contractual notice monitoring that ensures 100% compliance and preserves every entitlement.

The Problem

FIDIC-governed infrastructure projects operate under strict notice periods:

Clause	Notice Type	Deadline
:-----:	-----	:-----:
20.1	Contractor's Claim	28 days
8.4	Extension of Time	28 days
4.12	Unforeseeable Conditions	28 days
13.1	Variation	As directed

Missing a deadline = time-barred claim = forfeited entitlement.
